

Certificate in finance for non-finance professionals

Gain the financial edge you need to excel in any role or industry

About the programme

Finance is a ubiquitous force that plays an important role in almost every aspect of our daily lives. From managing household budgets to making critical business decisions, financial literacy is an essential skill. Finance is the yardstick based on which the performance of any organisation are measured, strategies are formulated and risks are assessed and mitigated. From advertising budgets in marketing to managing CTCs in human resource management and managing investments and taxes, finance is required in every aspect of business.

As a result, knowledge of finance is crucial not just for the finance department but for every unit of any organisation. Finance is the lifeblood of every aspect of business.

What our participants say

A great learning experience. The 'Finance for Non-Finance programme' has refined my board room experience and understanding, broadening my thought-process.

Mitesh Dave
(Metropolis Healthcare Ltd.)

The participatory approach and interactive sessions in the programme were really enjoyable and informative. Both the trainers were highly experienced and aware about the current market and industries. The examples shown were useful for real-life scenarios..

Aditya Pradhan
(GTI)

The content covered in the workshop was very good and so was the trainers' knowledge. They were able to explain all the questions asked by the participants in detail.
